

## **I Lost**

*...I lost my girl*

*...I lost my wife*

*...I lost my \_\_\_ — down, down, down*

I lost my friend — I lost my honey

I lost my girl — I lost my money

My money, money, money... lost...

I need the sun — I need it *warm*

I need the sun — I need it *warm*

I need my honey — I need my money

I need my honey — I need my money

I need my money... honey

I lost my brain — I lost it last night

Last night...

I lost my honey — I lost my money

...

I lost my girl — I lost my wife

I lost my wife — I lost my girl

*I lost my life — I lost my life*
